Dear Sir:

In answer to your letter of March 11th I am very sorry to say I do not see how we could possibly be ready to play on April 8th. We will not arrive in camp until the 10th, as we cannot have the park until that day. One of the southern league teams is using the park and we cannot have it until they leave.

I am trying to get a team to come to Daytona Beach and play me on Easter Sunday. This would be the earliest we could possibly be ready. If I play there on Easter Sunday, I do not think we would do any good on the 15th with The Cubans. If we do not get the game arranged for Easter Sunday, we will take The Cubans on the 15th. I will let you know in a few days. Can we play you in Orlando any time between the 13th and the 20th? We could also arrange to play you in Daytona Beach during that week.

We are playing in Little Rock on the 27th, and plan to break camp about the 13rd. Is there any place you would like to meet us on our way west?

Very Truly Yours
